

Leading Advocacy for Greater Minnesota Students Led by school board members, administrators, teachers and other education-focused partners, MREA elevates Greater Minnesota schools through advocacy, education and recognition.

2025 LEGISLATIVE ACCOMPLISHMENTS

BUILDING A FAIR & EQUITABLE FUNDING SYSTEM

MREA Successfully Advocated for Greater Minnesota Students Through:

- Preserving the current law inflationary factor for the basic education allowance by defeating a Senate proposal to repeal this statute.
- Acquiring school board authority to levy “above the line” for major roof repair and replacement costs as part of the LTFM program.
- Improving TRA so educators can access retirement benefits at age 60 with 30 years of service.
- Securing a one-time funding infusion of \$55 million to backfill Compensatory Aid falloff with the state moving to Direct Certification.
- Securing state funding for two more years of estimated state mandated summer Unemployment Insurance costs.
- Making the short call substitute licensure flexibility pilot program permanent law, allowing schools to use current paraprofessionals with at least one year of service to the district or persons with an Associates Degree and eliminating the state mandated \$200 daily rate of pay.
- Preserving QComp funding as we seek to expand the program statewide.
- Allowing schools to start on or after Sept. 1 for the 26-27 and 28-29 school years.
- Flexibility for Cooperatives to use \$5,000 of Student Support Personnel Aid to cover associated staff costs including job-embedded coaching and travel.
